TEAM DAI IS A NON-PROFIT  
CYCLING GROUP SINCE 2008.  
IN DECEMBER WE'LL CYCLE  
400 KM TO RAISE FUNDS FOR  
THE CHILDREN'S HOSPITAL  
IN LUANG PRABANG.  
WINNERS WILL BE  
CONTACTED MID-DECEMBER

[teamdai.org](http://teamdai.org)

As you may be aware, since 2008 the Team Dai cycling team embarks on a multi-day cycling tour to raise funds for a local cause. This year we are organizing the 13<sup>rd</sup> Challenge. Around 20 riders will be putting their time and energy towards raising money for the Neonatal Unit of the Lao Friends Hospital for Children in Luang Prabang. We'll cycle 400 km over 5 days, going through Khammouane Province, between the 2<sup>nd</sup> and 6<sup>th</sup> of December 2020.

We are seeking donations with the aim to raise \$10,500 USD for much needed equipment, including six 50 mL syringe pumps and one warmer. This equipment is essential in the care of the increasing number of infants admitted to the unit. Below you can find detailed information from the hospital with regards to their needs and the designated cause for our fundraising event.

As you are a prominent business in Vientiane, we invite you to gain goodwill and market exposure in key socio-economic demographics by becoming associated with our Challenge. Our track record from 12 prior years proves an extent of newspaper articles, TV and radio coverage as well as social media penetration that our event and its sponsors gather annually.
